To Whom It May Concern

On behalf of Schlumberger Chad I am pleased to confirm that we have worked with "Peschaud et Cie International" since 2001. They have been contracted to provide all "In-Field Logistics" related to our contract with ExxonMobil in Chad.

In context of this contract Peschaud provides over 40 different vehicles (trucks, trailers, forklifts, cranes, pick ups) and over 60 personnel (which includes service managers, drivers and support staff).

The performance over the duration has been excellent; they have been fully aligned with our operational needs and in full compliance with all aspects of our contract. In addition their performance in respect to meeting the rigorous Safety Standards imposed by both Schlumberger and our clients has been outstanding.

Should you wish further information do not hesitate to contact me at (235) 520736 or via e-mail at allen6@slb.com

Your sincerely

Gary Allen
General Manager Chad
