**TO WHOM IT MAY CONCERN**

**Swamp Barge Logistic Company Ltd (SBL)**, a consortium between Kencana Petroleum Berhad, Peschaud & Cie International and Keer Company for Transport Services & Contracts Ltd was awarded the **Provision of Site Setup and Drilling Operations Logistic Equipment and Services** contract for **White Nile (5B) Petroleum Operating Company Ltd (WNPOC)**'s swamp drilling operations in South Sudan in May 2006. The consortium had undertaken the contract and carried out their obligations until the end of the project in January 2009.

During the period of the contract, the consortium had duly fulfilled their contractual obligations and their overall performance was very good. The consortium had also demonstrated their high committment despite facing many challenges and constraints while working in the remote and harsh working condition and environment.

Thank you.

Yours Sincerely,

**Mohamed Sabri Zain**  
**President**
